It is indeed going to be my pleasure working with you in the near future. The Ram Band has a lot to be grateful for; and you are a very important part of the past, present and future. This band also has a winning tradition of excellence and offers an opportunity to everyone. On behalf of Waltrip High School, Ram Band Staff and current Band Members, you are welcome and we hope your stay and visit with the Band will be a most joyful and everlasting experience.

Charles Stephens

"The study of music is an important part of a complete education. It engages students in individual and group activity, develops creativity, problem solving, and critical and evaluative skills. Music education helps students acquire talent in the production and performance of music, as well as an understanding of history and culture." - George W. Bush, Former President

DIRECTOR'S CORNER:

Words to Live By

PERSEVERE - to continue in some effort, or a course of action in spite of difficulty.

The first semester of our music program is filled with many challenges that one must have a special quality of character in order to maintain the course. It takes special people to be **in the band!** As Band Directors, we have the wonderful opportunity to teach through music so many elements of a good character. One element of a good character is persistence. This music genre called *Marching Band* provides many chances for students to give up and quit. The temptations are felt by everyone, including myself. However, one must seek out that special strength that is ours for the taking. Phrases like "never give up," "whatever it takes," or "just do it," are more than just words to many of our students- it is a way of living. I tip my hat to those parents who teach their son or daughter that way of living. Keep up the good work. **What is success when it comes to music?** It is hard to determine our success by looking at a wall full of trophies. Instead, you need to look closer to see the real success of our Band Program. **The learning that goes on each and every day is more valuable than any trophy that can be won or any award that can be given for a job well done. NEVER GIVE UP!**

- Mr. Charles Stephens & Mr. Jesse Espinosa

“OUR WALTRIP HIGH”

School Song: Jon Enloe wrote the lyrics, Joe Stuessy wrote the music; Class of '61

**WALTRIP HIGH, WE SING TO THEE,
OUR LOYALTY WE RAISE.
STRONG AND NOBLE ALWAYS,
THESE TRIBUTES WE NOW PRAISE;
HONOR, FAITH AND COURAGE,
THESE WE TESTIFY.

OUR WALTRIP HIGH.**

RAM BAND OVERVIEW

OVERVIEW:

1. The duration of this activity is six (6) consecutive six week grading periods for a total of thirty-six (36) weeks (the whole school year).
2. The primary objective of this activity is to prepare responsible, proficient musicians through independent practice, group rehearsals, and performance opportunities.
3. The philosophy of this activity is that Waltrip Band students are the top musicians enrolled at Waltrip High School. You are expected to be exemplary, not only in musicianship, but also in academics and social settings. At all times, you represent the Houston Independent School District, Waltrip High School, and the Ram Band. Your actions, in and out of the Band Hall, must be governed with this in mind. You are expected to be respectful, responsible, and punctual. You are expected to conduct yourself at all times with the highest of standards. Students who adhere to this philosophy will continuously maintain an expected standard of excellence, and will, therefore, remain members of the Waltrip Band.

SCOPE:

The essential elements as prescribed by the Houston Independent School District are as follows:

1. Develop mental and physical discipline.
2. Develop citizenship through group endeavor.
3. Develop physical conditioning.
4. Develop cultural growth.
5. Develop the ability to make musical value judgments through critical listening.
6. Learn music theory.
7. Develop proper musical technique.
8. Develop creative self-expression.

RESOURCES:

Scale and/or chorale books and band music will be chosen by the Band Director.

GUIDELINES FOR STUDENT PARTICIPATION:

Student Participation guidelines are setup with the merit/demerit system. Each student's band grade depends on the point system starting at 100 points. As the student participates in band functions, do good deeds and earn extra credit (example best section of the week), he/she will receive merit points.

On the other hand, points will be taken from the initial 100 points if the student has an infraction ongoing, disorderly conduct, missing band performances, insubordination of officers and worst section of the week.

Discipline Management Plan:

In order for the Waltrip Band to operate smoothly and fairly, a high level of discipline must be maintained. Expectations, rules, policies, and procedures are in place so the teaching/learning process can take place in an orderly environment. Violations of the expectations, rules, policies, and procedures outlined below will result in the student being required to serve thirty (30) minutes **detention in the Band Hall per violation**. Failure to serve detention will result in another thirty (30) minute detention for a total of sixty (60) minutes.

Failure to serve this sixty (60) minutes detention will result in the parent(s) and/or guardian (s) being contacted, and the student referred to the assistant principal for disciplinary action. The student will record the violation on his or her page of the discipline log, which will be kept on, in, or near the band director's desk.

THE EXPECTATIONS, RULES, POLICIES AND PROCEDURES FOR WALTRIP BAND ARE AS FOLLOWS:

- You are subject to the H.I.S.D. student code of conduct.
- You will follow the guidelines and procedures of the Waltrip High School Student Handbook.
- The Waltrip Band rehearses Monday-Friday during band class. After-school practice is Monday, Tuesday and Thursday from 4pm-6pm. **Attendance is required.**
- Generally, there will not be rehearsals on Wednesdays. You should use this day for all doctor's appointments, tutorials or other activities that may interfere with band. Some rehearsals may be rescheduled for Wednesdays due to inclement weather, Thursday night games, holidays, etc.
- Football game performances are usually on Fridays or Saturdays and some Thursdays. **On game day, you will report to the Band Hall at 5:00 PM unless directed otherwise by the Directors.**
- The Waltrip Band performs at Varsity Football games, parades, competitions and other special events. **Attendance is required.**
- If you have a job and/or other activity outside Waltrip High School, you are required to notify your employer and/or activity leader about rehearsals and performances and make arrangements to attend.
- Before missing or being late for a rehearsal or performance, you must provide the Band Director with a written excuse signed by your parent/guardian. As a general rule, an acceptable excuse is any excuse which is in accordance with H.I.S.D. attendance policies.
- Upon entering the Band Hall, you are to remain in the Band Hall. Get your music, music stand, your instrument, and/or your equipment. Immediately sit down in your seat and prepare yourself for rehearsal by beginning to practice your instrument, and/or practice your equipment. Be certain to have paper, pen and a sharpened pencil at all times.
- You are responsible for **carrying and playing** only your assigned instrument.

- **Keep** the Band Hall **neat and clean** at all times. Save all trash at your seat. Throw it away as you leave the Band Hall.
- Food, drinks, candy, combs, brushes, lotion, hair spray, nail polish, mirrors, and makeup are to be consumed and/or **used outside** the Band Hall.
- **Horseplay** (hitting, wrestling, running, chasing, etc.) is to be enjoyed away from the Band Hall and away from band functions, and at times other than when the Waltrip Band is traveling.
- When you hear the sound of a whistle, you will immediately stop moving, and you will get quiet instantly. Listen quietly, politely, and intently for instruction. In addition to the Band Director, his Assistant(s), and Chaperones, your Drum Majors are your leaders. Follow their instruction.
- Profane, derogatory, and/or abusive words in any language, whether directed toward anyone or not, will not be tolerated.
- When the Band Director or his designee is on the podium, you are to remain quiet. You will remain seated, and give your undivided attention and complete cooperation.

Each student shares equally in the responsibility of procuring the money for the operational budget of the organization. The operational budget includes the purchasing of music, service of office equipment, and other necessary items required for the continued operations of the organization. The operational budget for the Waltrip Ram Band and Color Guard is generally between \$50,000 - \$70,000.

MARCHING SEASON

The rental fee for marching uniforms and concert uniforms is \$25.00. DRY CLEANING FOR THE UNIFORM NEEDS TO BE TAKEN CARE OF BY THE INDIVIDUAL. The initial cleaning is taken care of by the band. Marching hats must be maintained by the student. All lost or damaged equipment will be replaced or repaired by the student at the discretion of the Director. The Band shirts are not included in the rental fee. Black marching shoes and black socks are required. Shoe cost is \$35 and must be ordered through the Ram Band.

INSTRUMENT RENTALS

The rental fee for instruments provided by the school is \$35 per wind instrument per year and \$45 per percussion instrument per year. The student/parent is responsible for maintenance and upkeep of the equipment during the school year.

INSTRUMENTS PROVIDED BY THE SCHOOL ARE INSURED BY THE DISTRICT WHEN IN USE BY A STUDENT ON CAMPUS OR AT A SCHOOL SPONSORED ACTIVITY.

It is recommended that families who use instruments provided by the school either purchase instrument insurance or attach the instrument's serial number to your homeowner's policy. The student/parent is responsible for any deductible fees on insurance claims. This will protect any liability that the student and family may have in case of loss or damage of the equipment. Please contact the Directors immediately for replacement value of your student's instrument. This would be a wise step for everyone who owns his/her instrument.

EQUIPMENT

A quality program requires quality musical instruments. By the time a student is a sophomore at Waltrip, he/she will be expected to be using what is considered a semi-professional or a professional quality instrument. In most cases, these instruments will have been purchased during the eighth or ninth grade years.

A list of acceptable instruments is available in the Band Office. If a purchase is needed, the staff will be most happy to consult with the student and his/her parents in order to avoid an inappropriate purchase and to assist in obtaining the best possible price for the instrument.

OPTIONAL EXPENSES

Performance CD'S and DVDs are also available for purchase. Contact the Directors and check the website for information regarding these items.

BAND POLICY AGREEMENT

Waltrip H. S. Ram Band

STATEMENT OF BAND POLICY

In order to help band members and parents understand their area of responsibility, a statement of Band Policy is herein set forth. Becoming familiar with this policy will help each band member make the most of this fine opportunity to become a better person through this association with music.

1. The Instrumental Music Department firmly believes that the student should improve through daily progress.
2. The Instrumental Music Program feels that when the student has lost the will to improve himself/herself in order to make a better contribution to his/her fellow man, he/she is perhaps wasting the time of the school, his/her fellow students, and the community by continuing in this program.
3. The Instrumental Music Department is firmly convinced that the happiest child is one that is improving through regular habits of practice and daily progress. He/She must not only know **Right** from **Wrong**, but must be able to stand for his/her principles. He/She must develop a high sense of purpose toward which he is willing to work.
4. The Instrumental Music Department intends to conduct the program in a manner that will encourage all students to achieve these goals.

THE BAND MEMBER'S RESPONSIBILITY TO THE INSTRUMENTAL MUSIC PROGRAM:

1. Be regular in attendance and be able to account for all absences.
2. Become responsible for and expect to assume the consequences of his/her actions.
3. Have the proper respect for others in authority.
4. Follow all classroom rules, school regulations, and all travel instructions issued for trips.
5. Be honest and fair with others concerning equipment, music, and school life in general.
6. Read and play music with insight and expression.

THE RESPONSIBILITY OF THE INSTRUMENTAL MUSIC DEPARTMENT:

1. Plan each day's assignment and encourage daily progress of the entire band.
2. Provide the band with full musical education through rehearsal, performance, teaching, testing and listening.
3. Place any uncooperative members on probationary accordingly.
4. Suspend any uncooperative members from band programs accordingly.
5. Dismiss any member that is not adding to the band program due to **poor attitude** and/or **lack of improvement**.
6. Supervise the students in class or on school-sponsored band trips.
7. Grade the progress of each student on his instrument and his music education.

THE IMPORTANCE OF DISCIPLINE

Because the nature of this organization, band discipline must, of necessity, be **strict**. Band students and parents must be willing to accept the ideals, principles and rules of the organization. Because band members are constantly on display, each must always be aware of the importance of good behavior. The student should remember that he represents his/her organization, school and community wherever he/she performs or appears publicly. Any misconduct casts a direct reflection on our school and community and may very well undo the good work of hundreds of loyal students.
